April 08, 2020 11:57 PM Eastern Daylight Time

NEW YORK--(BUSINESS WIRE)--Roche Cyrulnik Freedman LLP and Selendy & Gay PLLC, elite litigation law firms based in New York, announce that a lawsuit is pending in the Southern District of New York that alleges that Block.one and certain officers of Block.one (collectively, "Defendants") violated federal and state securities laws by offering and selling digital tokens without a registration statement in effect for the securities it was offering and selling. The proposed class includes all persons who purchased EOS digital tokens between June 26, 2017 and the present (the "Class Period"). The lawsuit, captioned Williams et al. v. Block.One et al., is pending under docket number 1:20-cv-02809-LAK and seeks rescission and damages.

The federal securities claims are brought under Sections 5, 12(a)(1), and 15 of the Securities Act of 1933, 15 U.S.C. §§ 77e, 77l(a)(1), 77o. The state securities claims are brought under Tex. Rev. Civ. Stat. art. 581-33 and N.J. Stat. Ann. § 49:3-71.

Pursuant to the Private Securities Litigation Reform Act, 15 U.S.C. § 77z-1(a)(3)(A)(i)(II), any member of the proposed class seeking to serve as lead plaintiff of the proposed class shall, no later than 60 days after the date on which this notice is published, move the Court for appointment as lead plaintiff and approval of lead plaintiff's selection of lead counsel. Any member of the proposed class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain a member of the proposed class. If you purchased EOS tokens during the Class Period, you have until June 8, 2020 to ask the Court to appoint you as lead plaintiff for the class.

No class has yet been certified in the above action. Until a class is certified, you are not represented by counsel unless you retain a lawyer. You may retain counsel of your choice. You may also remain an absent class member and do nothing at this point. Your ability to share in any potential future recovery is not dependent upon serving as lead plaintiff.
